### SIUE Schedule & Ride Guide

### The #17 Cougar Shuttle

is the fastest, free-est and easiest way to get from Cougar Village to Peck Hall and back. Now running every 10 minutes from 7 AM – 7 PM, Monday through Friday, there's no reason to waste time driving, walking to and from your car, and hunting for a parking space. Did we mention it's free?

To see a complete schedule for the #17 Cougar Shuttle visit [mct.org](http://mct.org). Timetables can be found on campus at the SIUE Morris University Center.

## Where to Board on Campus

There are four shelters in Cougar Village served by the **#17 Cougar Shuttle** and the bus will take you directly to Hairpin Drive, outside of Peck Hall. If you're boarding at the Hairpin, there are several buses to choose from, some go off campus. Pay attention to the headsign on the front of the bus and make sure you're boarding the right bus. When in doubt, ask a driver.

## Use Google Maps to Plan Your Ride

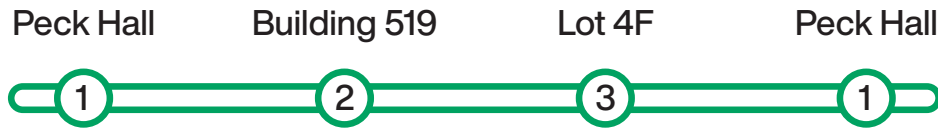

Need to go off campus? Skip the timetables and use Google Maps to plan your ride on MCT. All MCT routes, bus stops and schedules are plugged into Google Maps. Enter your origin and destination, then click the bus icon to get the details of your trip. It's only a short bus ride to stores, restaurants and downtown Edwardsville, so why not? You can also use Google Maps to plan your bus ride to other communities, the Amtrak Station, downtown St. Louis or the nearest MetroLink.

## Cost of Riding MCT

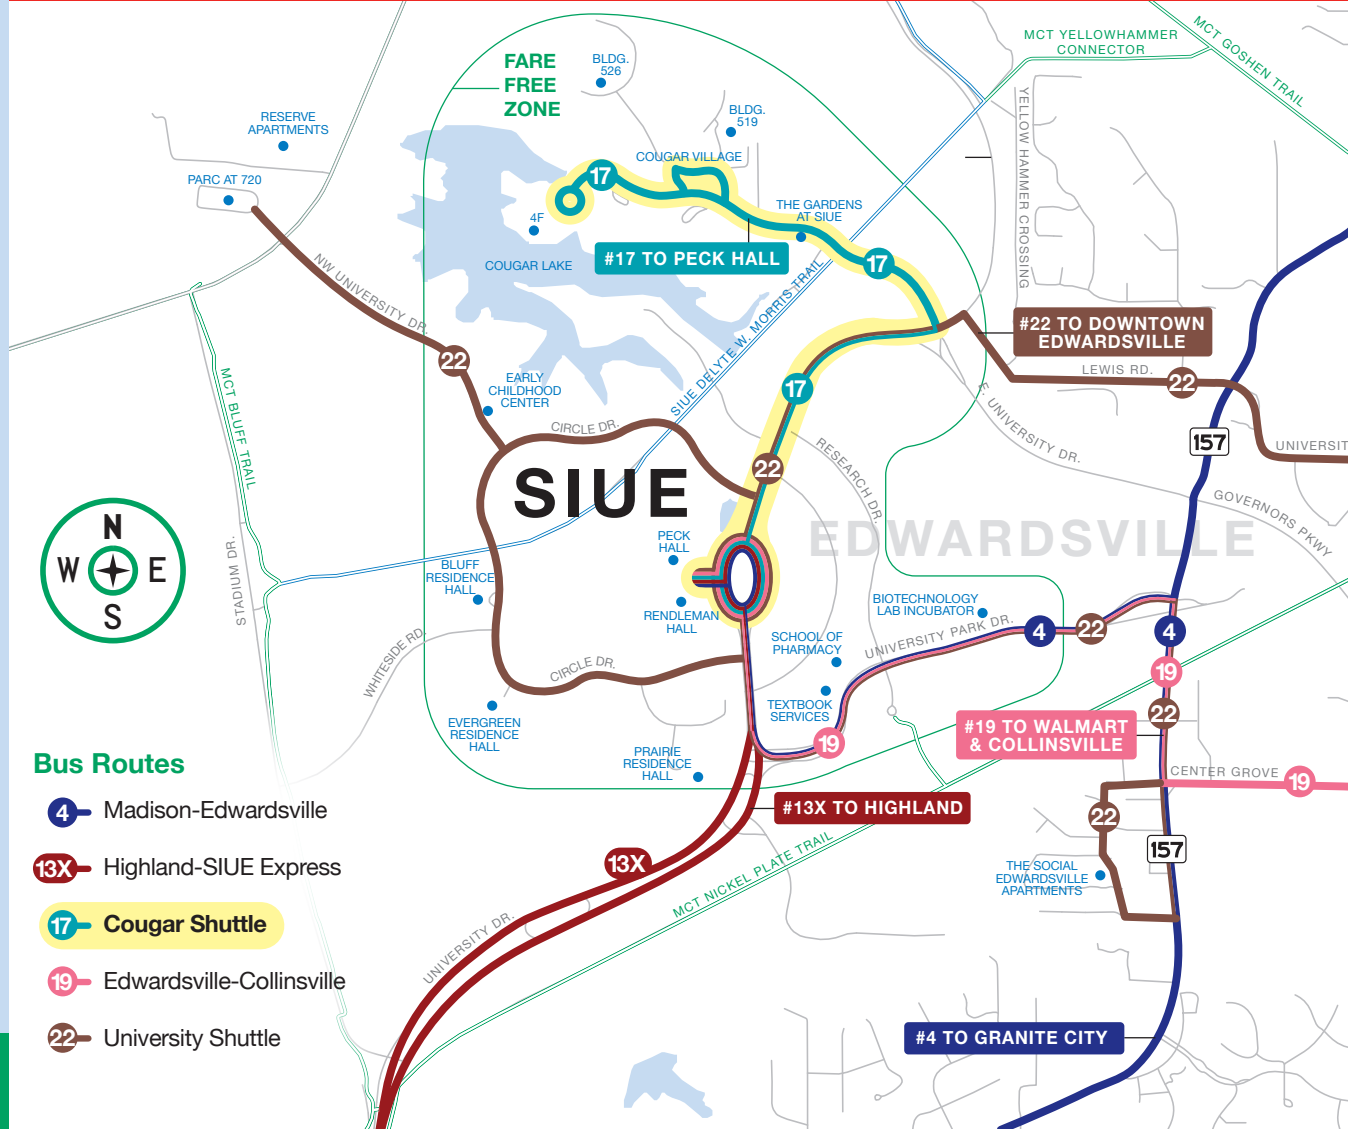

MCT operates a "Fare Free Zone" on the SIUE campus. If you're boarding the **#17 Cougar Shuttle** or riding another route on campus your trip is free.

SIUE students qualify for the MCT Student Monthly Pass - only **\$15** for a month of unlimited trips. Drivers may ask to see a student ID along with a Student Monthly Pass.

## Take Your Bike

MCT isn't just a bus service. We also own and maintain 138 miles of scenic bikeways, known as the MCT Trails, two of which meander through the SIUE campus. The nine Class I trails in our system form one of the most extensive and interconnected bikeway networks in the country. To make getting around town even easier, all MCT buses are equipped with bike racks and some trailheads are also bus stops. Explore the community by bike, get some exercise and then complete your trip on MCT. There's no additional cost to bring your bike.
