NEW #23 Logistics Valley Shuttle Schedule

Effective **Sunday, October 12, 2025**, the **#23 Logistics Valley Shuttle** will shift from operating on its current abbreviated construction schedule, to a new and regular schedule and routing.

The completion of construction on IL-111 & 270 opens vital travel corridors allowing the #23 to serve Lakeview Commerce Center, in addition to Gateway Commerce Center and Gateway Tradeport. To view the updated #23 schedule visit **MCT.org/bus-schedules** or pick up a schedule from any MCT bus or bus station.

NOTE: The first Sunday morning trip on the printed #23 schedules was a misprint. The first Sunday morning trip will begin at **6:32 a.m. at Liberty & Chain of Rocks**.
