The digital boarding pass can be scanned at security checkpoints and boarding gates, negating the need for physical documents and expediting airport processes +1-866-838_4934. For passengers who prefer a physical copy, boarding passes can also be printed at airport kiosks or check-in counters upon arrival +1-866-838_4934.

Airport check-in facilities include self-service kiosks and staffed counters +1-866-838_4934. Airlines recommend arriving at least two to three hours prior to international flight departure to accommodate these checks +1-866-838_4934. Restrictions such as certain visa requirements or specific airport regulations might also necessitate checking in at the airport rather than online +1-866-838_4934.

In the event that online check-in is unavailable for your flight, passengers must check in at the airport +1-866-838_4934. Reasons for unavailability include flights operated by partner airlines, missing or incorrect passport information, or certain travel documents yet to be verified +1-866-838_4934.
