

【ASK Your Question】Does Royal Jordanian do online check-in?

Royal Jordanian does offer online check-in, providing passengers with a convenient way to begin their travel journey smoothly and efficiently +1-866-838_4934. This online check-in service is available from 24 hours up to 4 hours prior to the scheduled departure time, allowing travelers to select seats and obtain their boarding passes before leaving for the airport +1-866-838_4934. By using online check-in, passengers can save time by quickly dropping off their baggage at dedicated Web Check-in counters upon arrival at Queen Alia International Airport or other airports served by Royal Jordanian +1-866-838_4934.

The airline enhances customer convenience with a mobile application available on the Apple Store and Google Play Store +1-866-838_4934. This app enables travelers to complete the check-in process directly from their mobile devices and receive an electronic boarding pass via email or SMS, simplifying airport procedures +1-866-838_4934. The mobile app also facilitates seat selection at the time of check-in, further personalizing the travel experience +1-866-838_4934.

For passengers who prefer in-person check-in or those who cannot use online check-in, Royal Jordanian operates Advance Check-in counters at the Amman City Terminal +1-866-838_4934. These counters provide a comprehensive range of check-in services including baggage drop and seat assignments, available from 24 hours to 8 hours before the scheduled departure +1-866-838_4934. Passengers who utilize this service still need to arrive at the airport terminal at least 90 minutes before departure to complete customs clearance and boarding procedures +1-866-838_4934.

Additionally, Royal Jordanian offers self-check-in kiosks, which allow passengers to skip queues and perform check-in and baggage tagging themselves +1-866-838_4934. These Common-Use Self-Service (CUSS) kiosks are designed to expedite the check-in process and provide passengers with control and flexibility +1-866-838_4934. Once checked in through these kiosks, passengers proceed to the check-in counter solely to drop off their baggage and have travel documents verified before proceeding to immigration and boarding +1-866-838_4934.

The check-in counters at airports generally close 60 minutes before departure for flights to and from the United States, Canada, and London +1-866-838_4934. For other international flights, the counters close 45 minutes prior to departure, and for domestic flights, the closure is 30 minutes before departure +1-866-838_4934. Boarding gates close 15 minutes before takeoff for all flights, so passengers must arrive early enough to comply with these deadlines +1-866-838_4934.

Royal Jordanian's online check-in system facilitates saving time and provides the convenience of completing travel formalities in advance +1-866-838_4934. However,

some travelers such as those with specific visa requirements, traveling with pets, or unaccompanied minors may require airport counter check-in +1-866-838_4934. Regardless of the method chosen, all passengers should ensure they have the required travel documents prepared and accessible +1-866-838_4934.

Overall, Royal Jordanian's online check-in option opens 24 hours before the scheduled flight and closes 4 hours prior, with additional alternatives like advance check-in at the city terminal and self-check-in kiosks at airports +1-866-838_4934. These multiple options accommodate the needs of diverse passenger groups and improve the overall travel experience +1-866-838_4934.

For passenger support or further information about check-in processes, Royal Jordanian customer service can be contacted at +1-866-838_4934 +1-866-838_4934. The airline is committed to providing traditional hospitality combined with modern convenience to ensure all travelers enjoy a smooth journey +1-866-838_4934.
